Report on visit of Kuwaiti Nationals to Kerala

(b) if so, what are the conclusions of the Report;

THE MINISTER OF STATE IN THE MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS AND IN THE MINISTRY OF HOME AFFAIRS (SHRI P. CHIDAMBARAM): (a) Yes, Sir.

(b) A summary of the report is attached. (*See* below)

(c) and (d) The Departments concerned of the Central Government made necessary enquiries into the incident in so far as they were concerned. Since the Kuwaiti nationals had been brought to India without visa by Air India, fresh instructions have been issued to the Airlines to exercise more care and caution in future to avoid recurrence of such cases. The Government of Kerala have also been advised to alert the immigration staff at the airport to be more vigilant in future.

Summary of the report submitted by the additional Chief Secretary, Government of Kerala on the visit of two Kuwaiti Nationals

(1) Five foreign tourists arrived at Trivandrum airport by Air India flight AI 924 on 29-1-1986. S/Shri Al-Sayed Yousuf Sayed Hashin Al Refai and Anwar Sayed Yaqub Al Refai did not possess visa. They were granted landing permit for 3 days by the Port

Registration Officer, Trivandrum, and were granted residential permits by Superintendent of Police, Malappuram and further granted extension by the Additional District Magistrate, Malappuram upto 7-2-1986.

(2) They travelled in 3 State cars. One of the car belonged to the Minister for Industries and the other two cars were allotted for the use of the foreign nationals on payment basis. They visited various places in Malappuram, Calicut, Cannanore, Wynad and Kasargod districts and attended several functions. They left Trivandrum by flight No. AI 989 on 7-2-1986.

(3) Certain specified persons cannot be granted visa without the prior approval of the Ministry of Home Affairs, Government of India.

(4) The records kept in the office of the PRO, Trivandrum show that the Circulars received in the last many months had not been kept in any order at all.

(5) There was a failure of system. The index was not kept upto date, otherwise the Kuwaiti nationals would not have been allowed entry into India. The Port Registration Officer has discretion to grant a permit for 72 hours to a foreigner provided there is no security objection to his landing in India. A report in duplicate for the regularisation of the foreigners entry into India without visa is sent to the State Government. This was not done by the PRO, Trivadrum. A daily surveillance report is sent by the Airport Security to the IG, Headquarters. This is a routine report but the report of 29-1-1986 made no mention about arrival without visas nor grant of landing permits to the Kuwaiti nationals. The foreigners submitted applications for extension upto 7-2-1986. This was sent to the Dy. S. P Special Branch who submitted report to the SP, Malappuram. He stated that there is no objection to the grant of permit to the applicants for the period applied for. It is clear that this report was made without proper check with the records.

(6) The system of landing permit was stopped by the Government of India with effect from 6-11-1982. The grant of landing permit in an ordinary case of a foreigner arriving without visa can be done only by the Government of India. In the light of this position the grant of landing permit by the Port Registration Officer, Trivandrum and subsequent extension by the SP and ADM, Malappuram was irregular as there were no pressing compassionate grounds.

(7) Three officers have been placed under suspension at Trivandrum and one at Malappuram.

(8) The foreign nationals were given hospitality facillities. A request was received from the Markazu Tharbiyyathil Islamiyya, Valancherry, Malappuram district that the foreign nationals may be treated as State Guests. The request was passed on by the Minister of Industries to the Chief Minister and it was decided to treat them as State guests. The note was sent by the Chief Minister to the Chief Secretary for necessary action. The Chief Secretary discussed with the Chief Minister and it was decided to treat them as State guests. They were given accommodation at the guest house and the two cars were made available to them. The bills at the guest house were paid. The bills for transport amounting to Rs. 9,636/- remain to be paid.

(9) Three cars were provided to the visiting party namely, T 7 (KET 3427), T 16 (KRV 2545) and T 24 (KET 3383). The drivers of T 16 and T 24 have given statements that they did not use the State flags. The driver of car T7 said that he had to use the flag as he had to be in time for Industry Minister's dinner at Trivandrum. That was the day when the Pope was visiting Ernakulam. The persons accompanying the foreign tourists told him that if the flag is put on, it would ensure quick passage through the traffic bottleneck. The Muslim League leaders insisted that the flag should be used on the car. The use of the flag on the car was irregular as the na-

tional flag is used only for the dignitaries referred to in para 10.4 of Section 10 of the Flag Code India. These foreign nationals even if they are important in their own country are not covered by the Flag Code.

(10) There are some matters which fall within the purview of the Central Government. Air India have certain responsibilities about letting foreigners board a flight without a visa. Allegations have also been made about the number of pieces of luggages cleared by the customs.

(11) Miscellaneous: The records should be kept upto date at the Trivandrum Immigration Office; the responsibility of Dy. SP (Airport Security) should be clearly defined; Handbook of Executive Orders and Insturctions relating to the foreigners in India issued by the Government of Kerala in 1985 should be made upto-date; overlapping in the items of work allotted to the two sections of the Home Department should be removed and the work allotted may be scrutinized and streamlined.
